# NATIONAL ANTHEM

I  
Nigeria we hail thee, our own dear native land,  
Though tribes and tongues may differ, in brotherhood we stand  
Nigerians all, and proud to serve our sovereign Motherland.

II  
Our flag shall be a symbol that truth and justice reign,  
In peace or battle honored, and this we count as gain,  
To hand on to our children a banner without stain.

III  
O God of all creation, grant this our one request  
Help us to build a nation where no man is oppressed,  
And so with peace and plenty Nigerians may be blessed.

## NATIONAL PLEDGE

I pledge to Nigeria, my country  
To be faithful, loyal and honest  
To serve Nigeria with all my strength  
To defend her unity and uphold her honor and glory  
So help me, God.

His Excellency,  
**Bola Ahmed Tinubu, GCFR**  
President, Commander-in-Chief of the Armed Forces  
Federal Republic of Nigeria.

Chairman Forum of Accountant Generals.*

## BACKGROUND

The 2025 National Conference on Public Accounts and Fiscal Governance is a landmark national initiative organized by the **Public Accounts Committees (PACs) of the Senate and House of Representatives, National Assembly, Federal Republic of Nigeria**. As a constitutionally mandated oversight bodies, the PAC is tasked with reviewing and scrutinizing the reports of the Auditor-General of the Federation, ensuring that public funds are utilized efficiently and that governance is anchored on transparency and accountability. The Committee is critical in holding Ministries, Departments and Agencies (MDAs) accountable and ensuring fiscal prudence across the public sector. With a growing demand for integrity and transparency in the use of public resources, the work of the PAC has never been more critical to Nigeria's democratic development.

The 2025 National Conference is being convened as part of the legislative reform drive of the People's House Agenda. It is an avenue for stakeholders across Nigeria's fiscal governance architecture to converge, share insights, evaluate progress, and shape the future of public financial management. This year's theme, ***"Fiscal Governance in Nigeria: Charting a New Course for Transparency and Sustainable Development,"*** reflects a collective aspiration to entrench robust governance systems that improve accountability and fiscal performance at all levels of government.

This high-level conference will convene the Chairmen of State Public Accounts Committees, State and Local Government Auditor Generals, Commissioners of Finance, Directors of Finance, Honorable Ministers, Development Partners, Civil Society Organizations, and top technocrats across Nigeria. Over five days, the conference will address pertinent topics including audit implementation, digital finance tracking, subnational fiscal oversight, anti-corruption frameworks, and more. It is a national dialogue and technical workshop in one, designed to build institutional capacity and inspire collective action for governance reforms. The NCPAFG will also serve as a prelude to the Annual Conference of the West African Association of Public Accounts Committees (WAPAC) scheduled to hold later in year following Nigeria's emergence as the winner of the hosting right for 2025 edition.

## OBJECTIVES

The conference is designed to deliver both intellectual and institutional value. Its primary aim is to enhance the capacity of public sector, financial managers and oversight bodies to operate with greater efficiency, transparency, and effectiveness.

**The specific objectives are as follows:**

1. **Build Institutional and Human Capacity:** it aims deliver targeted capacity development and skill-building sessions for Public Accounts Committees, Auditors, Financial Managers and Regulatory Officers across all tiers of government, with an emphasis on contemporary tools and practices for audit efficiency and oversight.
2. **Facilitate Knowledge Exchange and Co-learning:** Create a participatory environment for dialogue and experience-sharing among national and international stakeholders on public sector audit reforms, accountability practices, and digital innovations in fiscal governance.
3. **Strengthen Audit Implementation Frameworks:** Examine the current institutional frameworks and technical bottlenecks limiting the implementation of audit recommendations, and recommend specific mechanisms for reform, enforcement, and institutional compliance.
4. **Harmonize National and Sub-National laws and PAC's practice direction:** To align and standardize the laws, procedures, and operational guidelines of Public Accounts Committees (PACs) and other stakeholders in fiscal governance space across the national and sub-national levels for greater consistency and effectiveness in public financial oversight.
5. **Foster Broad Stakeholder Commitment to Transparency and Accountability:** Build consensus and shared responsibility among all actors in the fiscal governance space to uphold accountability, reduce leakages, and institutionalize sound public financial management practices.
6. **Promote Post-Legislative Scrutiny and Enhanced Sub-national Accountability:** Deepen the capacity of sub-national legislatures and PACs in post-legislative audit and oversight to bridge the accountability gap between budget appropriations and actual service delivery.
7. **Explore Global Best Practices in Digital Governance and Anti-Corruption:** Introduce proven international models in audit automation, fiscal tracking, and anti-corruption technologies in line with the evolving demands of a digital economy and 21st-century governance.
